TURN UP THE HEAT

SCOTTSDALE
FEBRUARY 20TH

In 2017, we visited 10 cities on our national tour showing dealers how to measure consumer engagement, eliminate marketing blunders and waste, improve website conversions, increase reach using social media, and how to turn your inventory faster.

In 2018, we have ***fresh content***, updated strategies and the ***2018 Digital Marketing Playbook***.

EXCLUSIVE AEC BONUS

All attendees will receive the 2018 Digital Marketing Playbook written by Brian Pasch. Brian has created a powerful workbook with over 100 plays that will help dealers improve their online game to increase sales and profits. Each of the 100+ recommendations have a manager signoff so the book will be an accountability tool as well. The playbook is designed for beginner/intermediate levels of marketing knowledge so it's perfect for all dealers. Dealers have asked Brian for many years to summarize all his recommendations in a single book, and AEC dealers will be the only ones to access it!
